ATTENDANCE	Congratulations to Year 2E on achieving 100% attendance this week.				

ISA YEAR 5 FOOTBALL TOURNAMENT – Mr Busby

The Year 5 boys put in some great performances in the ISA North tournament yesterday. Competing against 19 other schools, they finished second in their group with 3 wins and 1 loss. In the quarter-final, they played The Grange and led before a last-ditch equaliser for The Grange. Hale's perfect penalty sequence from Teddy, Cillian and Max saw us home, with Cillian making 2 fine saves. In the semi-final we played King's Chester. This time we fell behind, but a great strike from Cillian levelled the scores, and the game went to penalties again. The same trio of penalty takers took us to victory again and onto the final against Scarisbrick. The final was a really good game, which again ended 1-1, and then it went to penalties. This time our luck ran out despite great strikes from Cillian and Max, and we ended up gallant runners-up. It was the first game for Eisa, Yahya and Hugo, who all performed very well. Joe scored some great goals, Alex and Max defended bravely, and Teddy and Cillian used the ball well and got themselves on the scoresheet too. Well done to all the boys and many thanks to the parents for their encouragement and help with transport.

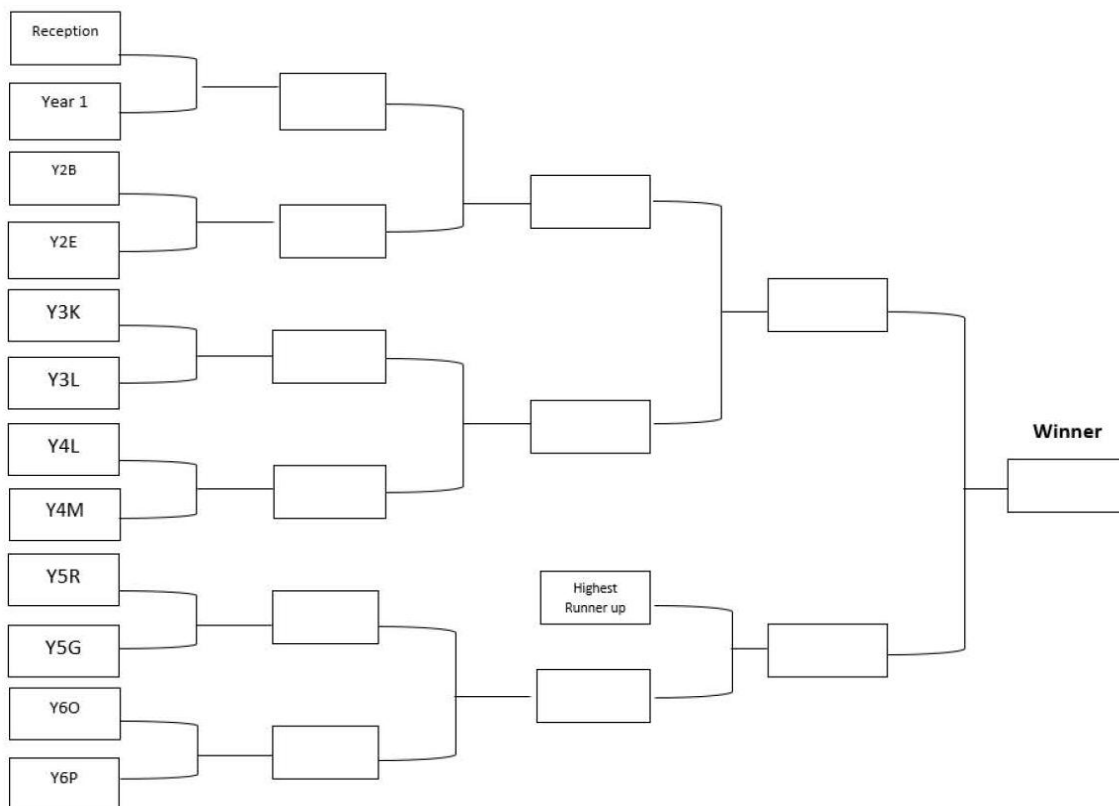

Hale Prep TTRS and Numbots Tournament (Autumn Edition)

Each class will battle it out with each other to see who is rocking their times tables and Numbots at Hale Prep. The class with the most correct answers will progress to the next round until there is a winner and that class will receive a class reward.

Also, the top 3 from every class will join in with the reward. Every child should contribute to their team by earning at least 300 gold coins in a week. Whichever class wins the tournament, those children who earned at least 300 gold coins each week, will receive the reward.

The tournament begins today on Friday 18th September. Children will have a week to get as many correct answers as possible to see who gets through to the next round.
