BRONZE, SILVER AND GOLD CERTIFICATES

As most will know, the school has a gold star system in which any member of staff can award a child a gold star for reasons such as being polite, kind, or helpful. Upon attaining 25 gold stars, a child will be awarded a bronze certificate; 50 gold stars, a silver certificate; and 75 gold stars, a gold certificate. A child who achieves 100 or more gold stars receives a special award badge.

Congratulations to Amin in Year 4 on receiving the first bronze certificate of this school year.

YEAR 1 TOY WORKSHOP

Last Friday, to support their history topic, Year 1 enjoyed a Toys from the Past workshop. They investigated old and new toys and the materials they were made from. They made their own peg dolls and played with traditional toys and games. A fun-filled, hands-on day that brought their history learning to life.

On Tuesday, Year 2 visited the Runway Visitors Centre at Manchester Airport as part of their topic on Flight. The children spent time on the flight deck, dressed up as crew and emergency services personnel, and watched many different planes take off and land. They were especially excited to see the Emirates Airbus A380 land and to see the pilots wave back at them!

Many thanks to Mrs Chohan, Mrs Drabble, Mrs Essam and Mrs Langley for accompanying us on our trip.

Well done to 4L and 5G who won their semi-final battles and have made it through to the final. They will have a week to get as many correct answers as possible, and the winner will be revealed in next week's assembly.

For those classes that have been knocked out, children should still compete, as the top 3 children from each class will also join in for the reward.
