Where is Skelmersdale on the map? A look at other key places within the UK – countries and cities. The UK weather will also be investigated, as will the question – Why do we have seasons?		An investigation into where the food on our plate comes from. What grows locally and from where else in the world does our food come from? The pupils will look at seasonal differences.		A study into what it is like to live in Skelmersdale compared to another part of the world.

If something happens that makes me feel sad, worried, uncomfortable or frightened I can give examples of when and how to speak to an adult I trust.	I can use the internet with adult support and communicate with people I know.	I can say why work I create using technology belongs to me e.g. it was my idea, I designed it.	I can explain rules to keep us safe while we are using technology both in and beyond home.	I can explain how to behave online in ways that do not upset other people.	I can use the internet to find things out. I can use simple key words in search engines.
