Pudsey visits Woodland

Woodland was the first on Pudsey's schools visits today. All classes lined the corridors and Pudsey did a Woodland Walk around school. He high fived, blew kisses and hugged the children. It was fabulous to see their smiling faces and hear their giggles and laughter. There were no money donations today but we kindly asked if children could bring in an item for our Autumn Fair this week. If you have not managed to do this please could you send it in on Monday.
