George the Tortoise

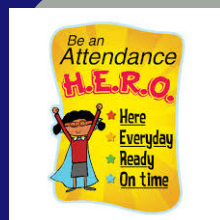

Year 4 had a very special visitor today, George the tortoise from Woodland Animal Sanctuary. The children were highly entertained when George had to empty his bowels twice! The visit was part of Year 4 fundraising to support Woodland Animal Sanctuary.

Torchlight Parade

We had a heart warming trip to Birch Green Care Home last night where our school community came together and sang for the elderly and staff. The smiles on the faces of the residents summed up what Christmas is all about. Please check out the videos and photos on Facebook. A special thanks to Liam's Mum who really entered into the spirit by dressing as Mrs Christmas.
