Hedghog Rescue

Y2 had a great afternoon where they listened to Mary from the Rescue Hedgehog. On Tuesday they will complete a 3k sponsored run to raise money for this worthwhile charity. Why 3k? That is the average distance that hedgehogs travel for water. The children learnt never to leave a bowl of milk for the hedgehogs as it upsets their tummies.

Our Marathon Heroes

A MASSIVE congratulations to Miss Beeley and Mr T who ran the Manchester Marathon last Sunday. They proudly wore our Whippet tops and even tried to do a "W" across the finishing line!

It was 6AM's turn to visit Eco Town this week. Once again they learnt the importance of recycling and how small changes can make a real difference.

Did you know that a banana skin can charge a mobile phone for an hour and 32 banana skins can heat a whole house? Our food waste bins are really important too as the waste can be turned into valuable compost and can produce electricity. So please use your new grey food bins as it really makes a difference.

On Thursday, Mrs Ashcroft will complete her last day at Woodland. We would like to wish her all the best of luck in the next chapter of her life, and thank her for all her hard work with SEND. She has worked with many families and children but now she is ready to take on a new challenge. We have appointed a new SENCO, Juanita Sargison, who will be joining us in September 2026. In the meantime if you have any queries or concerns please contact our two Assistant SENCOs, Miss T and Mrs Preston.
