

# Thorn Grove Gazette

Friday 19th July 2024

Dear Thorn Grove Families,

Welcome to this week's edition of Thorn Grove Gazette. I hope you have all had a lovely week. I would like to firstly thank everyone who attended the Summer Fair last week and helped contribute to another successful PTA event. My sincere thanks go to the main organisers of the event; Amy, Sarah, Bethan and Zoe, to whom we are exceptionally grateful for all their hard work. It was great to see the event so well attended and helping to raise much needed funds for our school. We will update you soon with how much was raised.

Finally I hope you have enjoyed reading and sharing your child's school report with them. It goes without saying we are proud of every single child and the progress and achievements they have made this year.

Have a lovely weekend

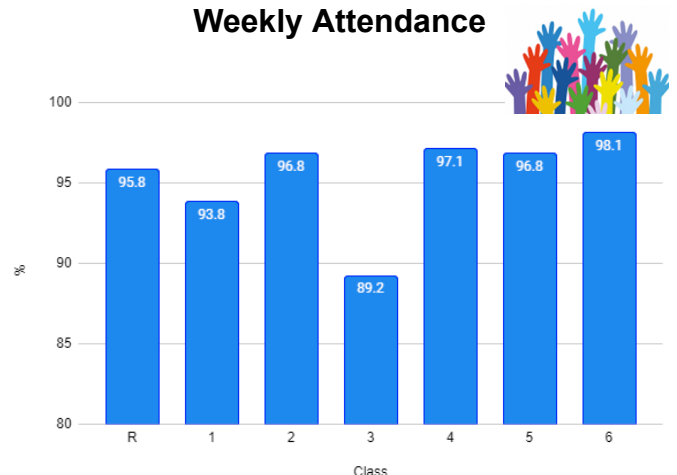

Miss Vose

## Assembly Focus of the Week

### Bible Encounters

We had a visit from Julie on Monday, who shared the story of Joseph and his twelve brothers. As always, she brought her props and got us all to join in with telling the story. The message she was sharing was all about striving to be the best we can be, have faith even through challenging times and to be forgiving when others make mistakes, even if it has an impact on us too. The children listened beautifully and Year 3 even added it to their 'what went well' board for Monday.

## Stars of the Week

## Year 6 at Robinwood

What a wonderful adventure! The children had a successful and enjoyable residential experience where they worked together to develop skills of cooperation, resilience, and respect. They participated in a variety of great activities, including the giant swing, climbing, the crate challenge, and canoeing. The children represented the school with pride and demonstrated excellent teamwork.

A huge thanks to the staff team for their time and effort too.

We are so proud of the Synergy 6 team. Well done!

## Key Stage 2 Results

Last week we received the results of the KS2 assessments (SATs) our Year 6 children took in May. It is safe to say we are absolutely thrilled! We are thrilled with the individual children who sit behind these numbers; their progress and hard work is to be praised and acknowledged. We are also thrilled with these results as a collective and are just one measure of the superb teaching and learning which takes place at our school.
