

THORN GROVE GAZETTE

THURSDAY 10TH JULY 2025

Dear Thorn Grove Families

Welcome to this week's edition of Thorn Grove Gazette. I would like to say a huge thank you to everyone who came to Thorn Grove's very first Art Gallery on Wednesday. As a school we have been working really hard to raise the quality of the art teaching, the children's experiences and the artistic process they are exposed to. Mrs Williams, our Art Leader, has done a tremendous job and we felt this the Gallery was a brilliant way to acknowledge and celebrate how much has been achieved. It was lovely to see how proud the children were of their art pieces and to share in this with you as their family.

Have a lovely weekend
Miss Vose

Assembly focus of the week

Continuing our learning linked to our value of Equality we learnt about Rosa Parks this week. We looked at the word 'boycott' and discussed the meaning of this while learning the BSL sign. Using drama techniques Rosa Parks then told her story to the children and they were able to ask her questions about her life and the impact she had. In pairs, the children then summarised their new knowledge of Rosa Parks and Miss Vose showed the children a book in our library that could be borrowed if children wanted to learn more.

Climbing Wall

Last Friday, we had a climbing wall visit our school! All of the children from Reception to Year 6 had a go at climbing as high as they could. We were amazed by how many children managed to get to the very top!! All of the children pushed themselves out of their comfort zones and challenged themselves. It was great to see so many children showing their **resilience** by trying and trying again. Lots of the staff had a go as well, which was fun for the children to watch.

Year 3 Quarry Bank Mill Trip

On Tuesday, Team Maathai had an amazing time at Quarry Bank Mill. We started the day with a Map challenge and tried not to get lost. In the afternoon, we had the opportunity to dip for mini beasts, where we found shrimp and water spiders. We also completed some experiments with apples and dog biscuits to see how fast the River Bollin is. It was a fabulous day and the sun was shining which is always a bonus!
