

THORN GROVE GAZETTE

FRIDAY 3RD OCTOBER 2025

Dear Thorn Grove Families,

Welcome to this week's edition of Thorn Grove Gazette. This week Jensen in Y4 has shared with me his certificate

for his recent achievements in his out of school kickboxing club. This led to a wider conversation about the other aspirational activities and hobbies our children are involved in outside of school. Please can I ask parents and children to share these with us so we can celebrate our children's achievements outside of school.

Have a lovely weekend

Miss Vose

Key Dates

Mon 6th Oct - Harvest Donations

Mon 6th Oct - KS1 Athletics

Tue 7th Oct - Harvest Donations

Wed 8th Oct - Deaf Base Y2-Y6 Trip

Wed 8th Oct - Parents Evening

Thu 9th Oct - Parents Evening

Thu 16th Oct - UKS2 Netball

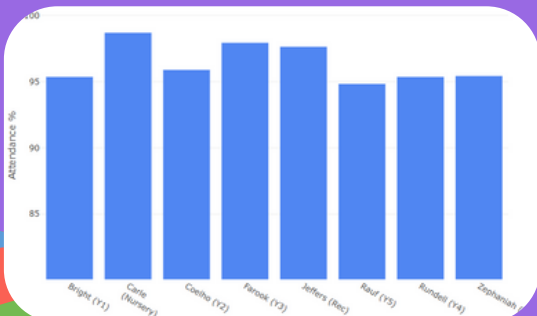

Thu 23rd Oct - Year 6 Class Assembly

Star of the Week

Assembly Focus of the Week: Jane Goodall

This week in assembly we focused on the life and work of Dr Jane Goodall. We learnt the word 'primatologist' and used BSL to help us understand the meaning. We then learnt about her life and how she had demonstrated the values of curiosity and aspiration.

Weekly Attendance

Together we nurture curious, respectful, aspirational individuals.

Year 2 - Bringing Writing to Life.....

Team Coelho have been reading 'A River' by Marc Martin. The story starts with a child staring out the window at the river and they begin to imagine themselves on a boat, travelling along it. We recreated the journey using our Define a Space together. We had lots of fun, but it also helped us picture the story. In class, we then chose part of the journey to write a postcard from that place. These are being sent to another school in Wolverhampton as part of a writing partnership project.

🎵 Year 3 Ukulele Lessons Begin! 🎵

This week, Year 3 students began their exciting journey into the world of music with their very first ukulele lessons! The children have already learned how to hold the instrument correctly and play their first notes. There was lots of laughter, concentration, and even a few impromptu singalongs as they strummed away. We can't wait to see their skills grow over the coming weeks and look forward to future performances showcasing their hard work and creativity! 🌟

Librarians Recommended Reads

Everyone will love this really funny graphic novel. It's full of swamps, mystery and submarines! It has comedy, adventure and monsters. We recommend this to KS2 - TG Librarians
