

Intent	Implementation	Impact	Measured
Develop CPD opportunities across school and upskill staff through working with a combination of specialist sports coaches, whilst developing staff competence and confidence in delivering a range of sports, including tennis, golf, gymnastics, lacrosse, cricket and hockey. £6,086	Engage a combination of specialist sports coaches to work alongside teaching staff, providing expert support and modelling across a range of sports. This will upskill staff and boost their confidence in delivering high-quality PE lessons, while enhancing the breadth of the physical education curriculum and embedding appropriate skills and safety standards.	Children will be active and engaged in a range of sports, developing their competence, confidence and skills. Staff will also feel more confident and capable in delivering a wider range of sporting activities.	Observations Pupil Voice Assessments to track the children's development in the sport.
Encourage more children to take part in physical activities during lunchtime helping them develop our values of confidence, resilience, collaboration, Equality and responsibility. £5,735	To employ sports coaches(SK) to lead active lunchtimes providing children with a range of sports across the week.	Children will be far more engaged and active throughout lunchtimes Children will have access to a variety of sporting/physical activities every lunchtime	Question children regarding lunchtime activities Observe engagement Monitor behaviour Speak to TAs on duty

Invest in a professional curriculum £300	To pay for the PE scheme of work that will introduce new sports such as golf, handball and a range of athletics.	Children will have the opportunity to experience a range of new sports. Staff will confidently deliver PE lessons in new sports	Children will have access to new sports and this will be built into the PE Long Term Plan Appropriate equipment will be available
Staff training and access to a range of inter school competitions for various sports. £2,450	Subject lead will attend termly meetings to stay abreast of current sporting events. CPD given to the PE Lead. Children will attend regular competitions for various sports organised by shapes.	Children will have the opportunities to compete against other teams to help build resilience and confidence. Will help embed all our school values. Expose children who may not have the opportunity to play competitive sports outside of school Exposure to a range of sports on a competitive level and practise the skills they have been learning within their PE lessons and after school clubs.	Pupil voice. Children's participation. Child participation
Ensure more of our KS2 children are competent swimmers £623	An additional swimming teacher is paid for to support the national curriculum delivery	A higher percentage of children will be able to swim.	Swimming data
Quality equipment to facilitate a wide range of sporting activity £179	Audit the resources we already have. Staff to inform me if we need anything ordered. Purchase required equipment	Children will be able to participate in sports using the necessary equipment	Staff voice Pupil Voice Observations Audit of resources.

Ensure our Forest School lead is equipped with all relevant training. £912	Every year group will get a short block of outdoor learning with a trained forest school teacher who has first aid training.	To provide children with a child-centred inspirational learning process, that offers opportunities for holistic growth that reflects our values.	Pupil voice Observations
Provide all children with an inclusive physical activity experience that builds full-body strength, mobility, confidence, and resilience through trying a new skill. £860	Hire a mobile climbing wall for a dedicated day with certified instructors, delivering structured sessions tailored to all year groups.	Pupils improve core strength, mobility, and spatial awareness while developing confidence, problem-solving skills, and a willingness to try new activities.	Pupil voice Teacher observations Tracking of participation
To eliminate financial and logistical barriers so all children have equal opportunity to attend off-site inter-school competitions and sports events. £695	Fund coach and minibus hire to transport pupils to and from targeted fixtures, leagues, and tournaments throughout the year.	Ensures high participation rates across all pupil groups, allowing children to represent the school, apply PE skills competitively, and build teamwork.	Pupil voice Tracking of participation Records of competitive events attended
