

Welcome to Nursery- Autumn

English

Nursery Rhymes (One focus rhyme per week)

Reading

This half term we will be looking at lots of books about ourselves and families.

Writing

- Children will be encouraged to start making writing style marks using a variety of different materials.
- Children will begin to practise tracing their name during every session.
- Children will be developing their ability to make marks and discuss what they mean.

Personal, Social, Emotional Development

- Children will be learning to self-select activities and use resources with help when needed.
- Children will be introduced to Nursery rules and routines, and increasingly be able to follow these.
- Children will be developing the ability to take turns with adults and other children in provision.

Communication & Language

- Children will be practising a wide range of nursery rhymes and are encouraged to share these at home.
- Children will be listening carefully to environmental sounds and talking about what they can hear.
- Children will be encouraged to widen their vocabulary. Adults in setting will support this by encouraging children to speak in full sentences where possible.

Physical Development

- Children will be developing their movement, balancing, throwing and catching skills.
- Children will be practising scissor skills using one-handed tools and equipment

Contact

If you need help with anything, do not hesitate to talk to us at the end of the day or call school. Don't forget to look out for class pictures too.

 Phone: 0151 306 5113

 Facebook: ParklandsCPLittleSutton

More information can also be found on our website:
www.parklands.cheshire.sch.uk

Expressive Arts & Design

- There will be lots of opportunities for the children to use materials freely.
- Children will be supported to cut, stick and join materials in order to turn their ideas into models.
- Children will be encouraged to create large models in the outdoor area.
- Children will be encouraged to create shelters by den building.
- As a class will also explore a variety of instruments and talk about the different sounds that they make

Understanding the World

- We will be using our senses to explore natural materials, both indoors and outdoors
- We will begin to make sense of our own life story - learning 'All about Me'
- We will continue to develop positive attitudes about the differences between people, and explore what makes each of us special.

Maths

Colours, Sorting and Pattern

- We will focus on sorting and matching familiar objects, mainly by colour and leading onto making recognisable patterns. For example, blue - yellow, blue -yellow.
- We will sing and learn number songs and rhymes, and incorporate the beginnings of early number within our play on a daily basis; e.g. making cakes with playdough, laying the table for tea, counting out the cups for snack.
- Through our continuous provision, we will talk about the size of objects and compare them.

Home Learning

- Children will receive a weekly home learning sheet which will allow you to share and continue their learning at home.
- We encourage parents to read a variety of books and stories at home and create a healthy bedtime routine. Children can borrow books from school to share at home and these can be changed as often as desired.
