

Parklands Community Primary & Nursery School Bulletin

SPRING 2 WEEK 1

WE LOVE READING

At our school, we absolutely love reading. It's one of the most important skills our children will ever learn, opening doors to imagination, knowledge and confidence. To celebrate the joy of stories, children are welcome to come to school in their pyjamas on Thursday (if they'd like to) perfect for marking the magic of reading at bedtime! We have lots of fun activities planned throughout the day to keep the excitement going. There will also be a special themed lunch - details for this are on the third page of the bulletin.

GROWING FEELINGS

PARENT-CHILD GROUP
EMOTIONAL LITERACY SUPPORT APPROACH
(ELSA)

Are you a parent/carer looking to enhance your understanding & support your 3 or 4 year olds emotional development?

Join us in a safe and welcoming space where we explore our feelings, build emotional literacy, and support one another. A chance to connect with other parents and explore play-based learning with your child.

Across the 5 weeks we will explore:

Parent only workshop (week 1): 2.5 hours

This workshop is for parents only, creating space for open conversation & focused learning without distractions. A crèche will be available for families who need childcare during the session.

Following weeks: 4 play-based sessions (1.5 hour)

The following 4-weeks will be play-based sessions for parents and children, where practical strategies are explored & modelled by ELSA-trained Start for Life Portage Practitioners. Sessions are informed by psychology, with a gentle focus on understanding regulation for both you and your child.
