Friday 9 October 2026

Another busy week has flown by at St Anne's! It is hard to believe that we are already five weeks into the school year. It has been wonderful to see the children working so hard, enjoying their learning and making the most of all the opportunities on offer.

An Afternoon of Sport!

Maple Class enjoyed a fantastic afternoon of sport at Wilmslow High School yesterday! It was a wonderful opportunity for the children to try different activities, develop their teamwork skills and enjoy being active together.

A big thank you to the staff at Wilmslow High School for welcoming us and organising such an enjoyable afternoon!

School Council – Pupil Voice

Our School Council have been busy gathering ideas from their classmates about how we can make St Anne's even better! Among their suggestions are football nets, more toys and games for wet playtimes, additional playground equipment and even Taco Tuesday!

It is wonderful to see our children taking such an active role in school life and sharing their ideas so enthusiastically. We will be looking at their suggestions carefully and exploring what we can make happen. After all, it is their school, and their voices really do matter!

Poppies for Remembrance

We are inviting children and families to help create a special Remembrance display in our local community, organised by Julie Dawn Potts from Love the Lane.

Why not have a go at making your own poppy? You could use the bottom of a recycled plastic bottle, knit or crochet one, or come up with your own creative design!

Taking part is completely optional, but it would be lovely to see St Anne's contributing to this community project as we remember those who have served and sacrificed for others.

Please see the attached photos for inspiration!

Year 5/6 Residential – Deposit Reminder

A reminder to parents and carers of children in Years 5 and 6 that the £75 deposit for our residential visit to PGL Boreatton Park, Shropshire, is due by Friday 16 October.

The visit will take place from 15–17 March 2027 and promises to be a fantastic opportunity for the children to develop their confidence, independence and teamwork.

If you would prefer to pay in instalments, please speak to Mrs Lewis in the school office in confidence.

Crazy Hair Day!

Maple Class have been enjoying their English unit based on the story of *Rapunzel*, and to celebrate the end of their learning, they will be holding a Crazy Hair Day on Friday 16 October!

Children in Maple Class are invited to come to school sporting their craziest, most creative hairstyles. Whether it's wild, colourful, spiky or inspired by Rapunzel's famous long locks, we can't wait to see what they come up with!

There is no need to buy anything special – just have some fun and get creative!

Celebrating Our Children

Our weekly celebration worship continues to be a real highlight of the week. It is always a pleasure to recognise children who have demonstrated excellent attitudes to learning, shown kindness towards others or gone that extra mile.

It is particularly lovely to see how genuinely pleased the children are for one another when achievements are celebrated. This says so much about the caring school community we have here at St Anne's.

Well done to all our certificate winners this week!

Finally, thank you to our wonderful staff team for another week of hard work and dedication, and to all our families for your continued support.

I hope you all enjoy a lovely weekend, whatever you have planned, and we look forward to seeing everyone on Monday morning.

Mr Dean
