

# Everyday matters because you matter

*Banks Road Attendance Newsletter*

## Our Enrichment Offer 🌟

At Banks Road, we are proud of the wide range of opportunities we provide beyond the classroom. Our enrichment offer plays a vital role in encouraging children to attend school every day.

When children are in school, they can take part in:

- After-school clubs and sports activities 🏀
- Creative opportunities such as art, music and performance 🎨🎵
- Class visits, themed days and special events 🎉
- Leadership roles including School Council 🏠
- Opportunities to build friendships and teamwork 👥

These experiences help children feel excited about coming to school and develop confidence, skills and interests that last a lifetime 🌱.

**Good attendance ensures children don't miss out on these important opportunities.**

## Why Attendance Matters 📖

Every day in school gives children the chance to:

- Build confidence in their learning 💡
- Strengthen friendships 👥
- Feel part of our school community 🤝
- Make steady academic progress 📖

Missing school means missing these key experiences. Even small absences can quickly add up.

## Hot Weather in School ☀️💧🧢

With the warmer weather continuing, we are taking extra care to ensure all

children remain safe, comfortable and ready to learn.

We would like to say how well the children have coped during the recent hot days — they have shown great resilience and maturity, and we are very proud of them 🙌.

To help us keep everyone safe, please ensure your child:

- Brings a **named water bottle** to school 💧
- Wears a **sun hat** for outdoor times 🧢
- Comes in appropriate PE kit such as **Banks Road shorts and t-shirt** where possible 🧥

## Keeping Children Safe in the Heat ☀️

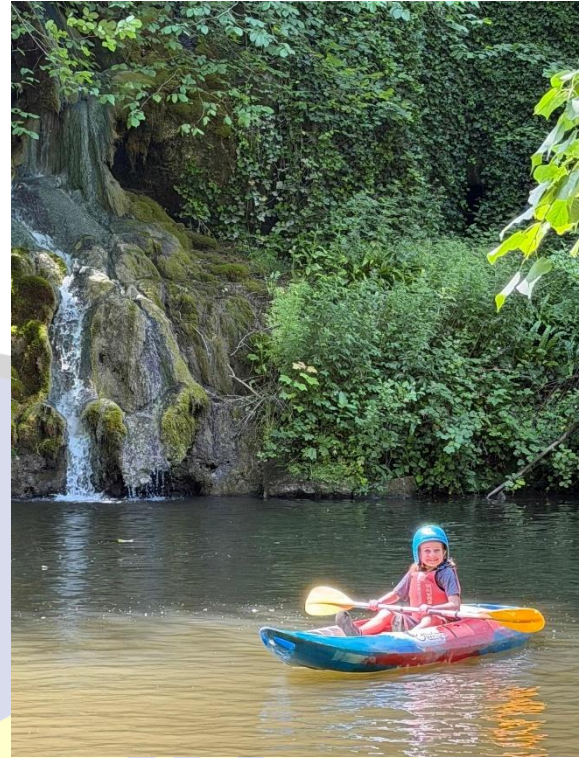

We will continue to adapt our routines to support children during hot weather:

- Children will still access outdoor play at break times when safe 🌳
- Lunchtime arrangements will be adjusted if temperatures rise
- Children will stay indoors if it is too hot outside

- Our classrooms provide a **cooler, comfortable environment** for learning

Staying hydrated and cool helps children remain focused, happy and ready to learn — which supports **strong attendance and engagement**.

Thank you for your continued support in helping us manage these conditions 🙏.

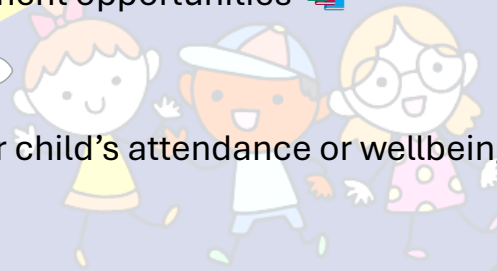

## Attendance and Wellbeing 💙

We understand that warmer weather can sometimes make routines feel more challenging. However, maintaining regular attendance remains incredibly important.

By attending school every day, children benefit from:

- Structure and routine 🏠
- Social interaction and friendships 👫
- Engaging lessons and enrichment opportunities 📖
- Ongoing support from staff 🗨️

If you have any concerns about your child's attendance or wellbeing, please contact the school — we are here to help.

**Thank You** 🙏

Every day your child attends school, they are:

**Learning** 📖 – **Building friendships** 👫 – **Growing in confidence** 😊 – **Developing habits for life** 🌱

Thank you for your continued support and partnership.

**Together, we can do it!** 🙏 💙
