World Nursery Rhyme Week

9th to 13th November 2026

Dear Parents,

World Nursery Rhyme Week is fast approaching, and we are delighted to confirm we will be taking part. The initiative, launched in 2013, promotes the importance of nursery rhymes in early childhood development and education with a particular focus on how nursery rhymes boost early language and literacy skills.

We have several activities planned throughout the week including role playing, creating props and learning the rhymes using Makaton actions.

Singing nursery rhymes is a wonderful activity you can also enjoy doing together at home. You can access all of the free resources at home by registering at www.worldnurseryrhymeweek.com

Through taking part in World Nursery Rhyme Week, we are excited to give the children lots of opportunities to sing, play, move and learn together in a happy and supportive environment.

We can't wait to celebrate a wonderful week of rhyming with your children at St Mary's & St Benedict's RC Primary School.

Best wishes,

Mrs Burgess
