

Autumn 1 Holly Class

Maths

We will be focusing on various things in maths including reading and rounding numbers to 6 digits and estimating angles.

How To Help

Working on rounding lots of numbers would be very beneficial!

Writing

Our writing book is King Kong and mostly involves story telling.

How To Help

Watch the King Kong film together and practice writing some scenes from it using descriptive language.

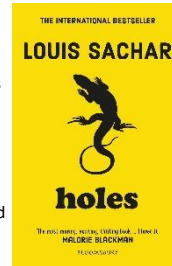

Reading

Our class novel is Holes.

We will also do a Whole Class Reading lesson every day, usually about our other subjects.

How To Help

Read often with your child and talk to them about what they have read.

Science

Electricity

We will learn about how circuits work and how the amount of power in a circuit changes the brightness of bulbs or volumes of buzzers.

How To Help

Look at electrical items in the home and think about how they work.

Geography

We will be learning about New York.

How To Help

Research New York with your child – you could watch some YouTube videos together.

Computing

We will be working on identifying fake news as part of online safety.

How To Help

Discuss the news with your child.

RE

Hinduism

We will be learning about Hinduism.

How To Help

Research Hinduism with your child – you could watch some YouTube videos together.

Art

Illusions

We will look at how to use perspective to create illusions.

How To Help

Practice shading and drawing to a vanishing point.

PE is on a Thursday afternoon – it gymnastics: matching and mirroring.
PSHE is Family and Relationships.
