

# Spring 1

## Rowan Class

### Maths

#### Multiplication and Division Fractions and Time

Learn the 2, 5 and 10 times tables  
Halves and quarters of objects and numbers

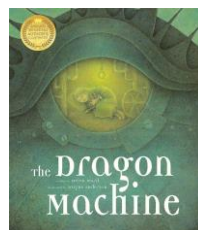

#### How To Help

Practise telling the time to the hour, half hour and quarter past/to and counting in 2s, 5s and 10s

### Writing

#### Our writing book is *The Dragon Machine*

Statements, questions, exclamations and commands, present and past tense, using because and when

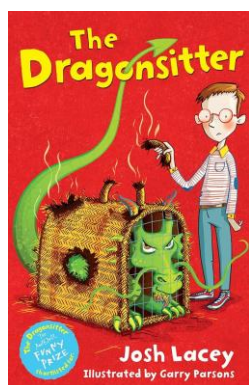

#### How To Help

Practise writing questions with a question mark, create sentences using because

### Reading

Our class novel is *The Dragonsitter* by Josh Lacey.

We will also do a Whole Class Reading lesson, this will be about a book by Julia Donaldson.

#### How To Help

Read often with your child and talk to them about what they have read.

### Science

#### Living Things and their Habitats

We will learn about if something is alive, dead or never alive. We will learn about habitats and microhabitats and animals that suit them

#### How To Help

When out and about, look out for animals/plants in that area. Can you name any plants of animals and the habitat they live in?

### History

We will be learning about the history of transport.

#### How To Help

Spot different types of transport when out and about and name them.  
Talk about how transport has changed in recent history.

### Computing

Scratch: We will be learning to make a character move and make a sound on Scratch.

#### How To Help

Have a look at Scratch and see if you can get the cat to move or make a sound

### RE

#### Christianity – Rites of Passage

#### How To Help

Talk about important life events in your family.  
Share memories of these.

### Art

Giuseppe Arcimboldo  
Portraits

#### How To Help

Practise drawing portraits of family members.

PE is on a Friday morning. It will be invasion games.  
PSHE is Safety and the Changing Body.  
Music is *Grandma Rap*, from Sing Up.
