

# Spring 2

## Elm Class

### Maths

Place value (within 50)  
Addition and Subtraction (within 20)

#### How To Help

Counting to and from 50 starting at different numbers.  
Talk about which numbers are 1 more and 1 less than numbers to 20.  
Practise recalling number bonds to 10 and 20. How quickly can you recall them?

### Writing

Our writing book is **Goldilocks and Just the One Bear**

Writing sentences.

Use a capital letter and full stop in a sentence.

Use *and* in sentences.

Begin to use exclamation and question marks.

#### How To Help

Orally say full sentences, count the words and then record.

Can they read back their sentences and spot any errors?

### Reading

Your child will have a new reading book every week. They will practise it throughout the week with an adult in school.

#### How To Help

Read often with your child and encourage them to sound out words they don't know.

Ask them questions to recall what happened in the story or to recall facts.

### Science

We will be exploring forces such as light and how shadows are formed.

We will learn to sort materials depending on their properties under the headings; transparent, translucent and opaque.

#### How To Help

Look at different materials around the house and test to decide if they are transparent, translucent or opaque.

### History

We will be learning about the coronation of King Charles III.

We will learn about important Queens of England from the past and what they're famous for.

#### How To Help

Watch videos of coronations and discuss the traditions. Discuss the words monarch, crown and power and what they mean.

### Computing

We will be using an app to learn how to use algorithms to programme a character to dance and move.

#### How To Help

Ask your child to share what they programmed their character to do.

### RE

We will be learning about what Christians believe Jesus has taught us.

#### How To Help

Ask your child to retell stories from the Bible they have learnt.

### DT

We will be learning how to construct stable structure and the best materials to use for these.

#### How To Help

Practice building structures such as bridges and towers with building blocks or junk modelling.

PE is on a Monday morning.

PSHE is all about how we can save money in banks and how to spend money carefully.
