

Summer 1

Rowan Class

Maths

Addition and Subtraction Position and Direction

Adding 2 2-digit numbers when the ones go over ten
Exploring and describing how things move and turn

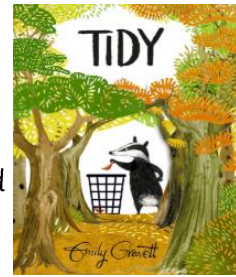

How To Help

Discuss the direction of how things turn. Are they going clockwise or anticlockwise? Is it making a full, half or quarter turn?

Writing

Our writing book is
Tidy

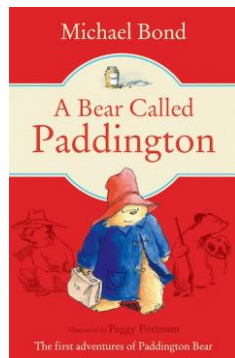

Adding -er and -est, using homophones correctly, using if and so that, apostrophes for contraction

How To Help

Practice saying sentences and extending them with so that or if

Reading
Our class novel is A Bear Called Paddington by Michael Bond.

How To Help

Read often with your child and talk to them about what they have read.

Science

Plants

We will learn about seeds and bulbs. We will learn what they need to germinate and grow into healthy, mature plants.

How To Help

Identify plants in the local area. Discuss if they are young plants, or mature plants. Discuss what they need to survive.

Geography

We will be learning about continents and oceans. We will also compare England and Kenya

How To Help

Name and discuss the continents and oceans. Identify them on a map of the world.

Computing

Online Safety: We will be learning to be kind online and what to do if someone isn't kind.

How To Help

Discuss what you do at home to be safe online.

RE

Islam – How do Muslims express new beginnings?

How To Help

Discuss new things that you experience in your life.

DT

Perfect Pizzas

How To Help

Discuss different toppings on a pizza. Which food group do they belong to? What could make a pizza healthier?

PE is on a Friday morning.
PSHE is Health and Wellbeing.
Music is *Time*, from Sing Up.
