

Autumn 1

Elm Class

Maths

Place Value, Addition and Subtraction (within 10)

Counting a set of objects.
Finding 1 more and 1 less than with numbers to 10
Comparing numbers to 10.

How To Help

Counting to and from 10 starting at different numbers.
Practising writing numbers correctly.
Counting groups of objects around your home.

Writing

We will be reading a different text each week and using our imagination to write about them.

How To Help

Practise writing in sentences.
Practise correct letter formation of tall and short letters.

Reading

Your child will have a new reading book every week. They will practise it throughout the week with an adult in school.

How To Help

Read often with your child and encourage them to sound out words they don't know.

Science

We will be learning about parts of the human body and their function and exploring the 5 senses.

How To Help

Play 'Simon Says' with your child to practice using the new body part vocabulary.

Geography

We will be learning about the houses and human landmarks (parks, shops, swimming pool) in Ellesmere Port.

How To Help

Go for a walk and see which types of houses and human landmarks you can find.

DT

Moving Mechanisms

How to create a moving lever in different ways.

How To Help

Look for moving mechanisms in toys and books.

RE

Christianity: We will discuss what it means to belong to a community or a faith group. We will learn some symbols of Christianity and about what happens at a Christian baptism.

How To Help

Discuss what happens at a Christian baptism.

PE is on Wednesday afternoons.

Forest school is on Tuesday mornings.

PSHE is all about our emotions.

Music- learning how to keep the pulse.
