## P.E day

Please remember to wear a full P.E kit for our sessions on a Thursday. No earrings are allowed.

Please continue to ensure all clothing is labelled to avoid losing any items.

## Phonics stay and play session

In November, we will invite parents and carers into school for a stay and play session. We will hold two sessions to accommodate everyone.

The children would love to spend time with you and are very proud to show you the fun activities that we offer.

We hope you can make it and join us! We will show you ideas and various games that you can play at home to help your child learn their phonics.

## Reading Books

This month we will begin sending books home for you to enjoy with your child. Each class has a specific day when they get new books.

Wednesday - RN

Thursday - RY

Friday - RW

## Christmas is Coming!

The most special time of the year is coming round. Soon, we will be planning our Nativity!

Please let us know if you have any planned absences so we can plan accordingly.

## Fun Phonics

We are so pleased that so many of you are using Seesaw to practice phonics and feedback to us about how your child has got on. A huge thank you for your support! We will continue to post videos weekly of new sounds this term for you to practice at home. We will continue to play games on these links too.

## 'It's All About Me'

Our new topic this half term is 'It's All About Me'. We are looking at our families and where we live. We have settled well into school life and have made lots of friends already. We are continuing to learn our classroom rules and routines. We explore a range of wonderful stories which allow us to talk more about friendships, feelings and what makes us unique.
