

Year 4 Spring Term Take Away Homework

Choose your homework from the menu below. The Peri-ometer suggests the difficulty or challenge the homework may offer. Try and complete **three** pieces of Nando's homework per half-term if you can!

<p>Create a model of a landscape from a different biome to our own. Could you build a winter tundra, a desert or a rainforest?</p>	<p>Create your own news report about climate change in the UK. You could record a video or write a report for a newspaper or website.</p>	<p>Create a model of the human digestive system. Can you explain how the human digestive system works?</p>
<p>Draw and label a diagram of the human ear. Can you find out and explain how humans hear sounds?</p>	<p>Create an informative PowerPoint presentation about Colchester Castle for tourists. Include facts about its location, history and importance to the local area.</p>	<p>Make a clock face using Roman numerals. Can you design it so that the hands can be moved to show different times?</p>
<p>Sketch a famous landmark from Ancient Rome. You could just write about it if you would rather not draw.</p>	<p>Draw a Roman soldier and label the different pieces of armour and clothing that they wore.</p>	<p>Create an information text all about the use of money and currency in the UK or other countries.</p>
<p>Create an eye-catching online safety poster based on one of the letters of Perryfields' SMART online safety rules. Can you help us to celebrate Safer Internet Day in February?</p>	<p>Use words from this week's spellings to do one of the following:</p> <ul style="list-style-type: none"> • Create a word search • Create five 'silly' sentences • Create a spelling scramble by mixing up the letters 	<p>Research March's Musician of the Month: Freddie Mercury. Can you listen to and describe some of his music? You could write a fact file, design a poster or learn to play a piece of music inspired by him.</p>
