YEAR 3

AUTUMN 2 2026 - 2027

RE

Christians believe that Christmas is a celebration of the arrival of Emmanuel, who is Jesus God with us.
Christians believe God is with them through his Son, Jesus, and the Holy Spirit.
Christians believe that the presence of God changes their lives.

GEOGRAPHY

Volcanic eruptions can impact the environment
Volcanoes are formed when magma from within the Earth's upper mantle works its way to the surface.
Volcanoes produce Igneous rocks.
Volcanoes can be found around the world.
Volcanoes are a physical feature of the environment.
Volcanoes are formed in place where there are tectonic plate boundaries.
Earthquakes are formed when tectonic plates move.
There are 2 types of volcanoes - active and dormant.
The 'Ring of Fire' is an area of the Pacific Ocean that is shaped like a horseshoe. It is home to 90% of the world's earthquakes and 75% of the world's volcanoes.

COMPUTING

To explain how a sprite moves in an existing project.
To build a sequence of commands.
To identify and fix bugs in a program.
To build a sequence of commands.
To identify and fix bugs in a program.

ENGLISH

Non-fiction - The Night Gardener
Narrative - Paddington

MATHS

Written subtraction
Multiplication Tables
Multiplication
Division
Measurement (time)
3-D shape

MUSIC

Writing down Music (MMC)

PE

Lancashire Scheme of Work - Mr Phillipson

SCIENCE

Animals, unlike plants which can make their own food, need to eat in order to get the nutrients they need.
Food contains a range of different nutrients that are needed by the body to stay healthy
Can explain the differences between food groups and types of nutrition
Can state that to be healthy we need to eat the right types of food to give us the correct amount of these nutrients
Name the different nutrients in foods - carbohydrates including sugars, protein, vitamins, minerals, fibre, fat, sugars, water.
Know that a piece of food will often provide a range of nutrients
Understand the importance of nutrition

PSHE

Know why families are important
Know that everybody's family is different
Know that sometimes family members don't get along and some reasons for this
Know that conflict is a normal part of relationships
Know what it means to be a witness to bullying and that a witness can make the situation worse or better by what they do
Know that some words are used in hurtful ways and that this can have consequences

Art

Use chalk pastels to draw on a page using a dynamic tripod grip and using the pastels on their side.
When drawing from observation, artists look at the object they're drawing from.
The first artists lived in the Palaeolithic Age, between 10,000 and 40,000 years ago.
Pablo Picasso was a Spanish artist. He was inspired by the Lascaux Cave Paintings to create line drawings of animals.
Satoshi Kitamura is a Japanese author and illustrator to makes art today. He was inspired by the same cave art as Picasso.
Mixed-media is artwork that uses more than one art material e.g., paint and pens.
