ART

Illustration is a form of narrative art, i.e., art which tells a story.

An illustration is a picture which helps tell a story.

Illustration is a form of narrative art, i.e., art which tells a story.

Artists work through a design process when creating their illustrations.

Tone can be created using white pens and pencils, which highlight areas of the artwork.

Linear shading is a method of creating tone, often with a pen.

Examples of linear shading include hatching, cross hatching and contoured hatching.
