

Nursery Curriculum Newsletter

Maths

This term, we'll develop our early maths skills through fun, practical activities. We'll explore routines, sorting, matching, patterns, counting, numbers and measure, as well as going on a shape hunt around school. We'll also put our maths skills into practice by counting sequins and helping Santa's elves sort presents!

English

This term, we'll have lots of fun developing early writing skills through 'Squiggle Whilst You Wiggle' and 'Dough Disco'. We'll explore mark-making in different textures, enjoy nursery rhymes and share stories to develop language skills. The children will also have plenty of opportunities to practise their new skills through fun, hands-on activities. Books will be sent home each week for you to enjoy together during home learning.

Understanding the World

This term, we'll get to know our friends and celebrate what makes us all unique. We'll create self-portraits using different materials and explore celebrations including Harvest, Diwali and Christmas.

Nursery Curriculum Newsletter

PE

This term, we will have lots of fun developing our physical skills through PE and circle games. We'll learn how to stay safe, use the parachute and explore lots of different ways to move. We'll also practise working together and following simple instructions.

Most importantly, we'll have fun, be active and learn new skills! PE day will be every Friday, so please remember to send your child in their PE kit.

Art and Design

Our 'We Are Family' theme will help us get to know each other and celebrate what makes us unique. We'll share our favourite colours, songs, stories, toys and foods, as well as creating self-portraits. We'll also get creative and make some special festive creations!

PSED

Children will take part in circle time activities to get to know their new friends and teachers. Through our 'Jigsaw' scheme, they will develop their PSED skills and learn how to build positive relationships and stay safe.

Additional Information

What can you do at home to help?

Please enjoy reading with your child and chat about the story, characters and pictures together. Ask simple questions such as who, what, where, when and how to help develop their language and understanding. You can also support their fine motor skills by practising writing their name together.

Information

Book change day is Friday, and please make sure your child is dressed for all weathers for our outdoor learning. 🌞☁️

Dates for Your Diary

Please pop these dates in your diary! Teddy Day is Friday 2nd October. 🧸

Our Dudley Zoo trip will be in December, with the date still to be confirmed. 🦁🎅 Parents to attend.
