

Acorns Primary School – Outreach Support for Schools

Sharing Expertise. Supporting Growth. Strengthening Practice.

Overview

At Acorns Primary School, we're proud to offer high-quality outreach support to other schools, led by our experienced and passionate staff. Our outreach programme is designed to help colleagues in other settings benefit from the expertise within our team—whether that's through observation, discussion, CPD or bespoke development.

Whether you're looking to strengthen teaching practice, develop leadership, or explore new approaches to inclusion, we're here to help.

Our Offer Includes:

- In-class observation and modelling
- CPD sessions and training
- Behaviour, SEND, and inclusion support
- EYFS, phonics, sensory regulation, communication and curriculum development
- Subject leadership support
- Coaching and mentoring
- Bespoke school improvement support

Sessions can take place at your school or ours, depending on your needs.

Pricing

£60 per hour – Observation at Acorns (includes optional follow-up discussion)

£75 per hour – Acorns staff visit your school for discussion-based support

£60 per report – Written report following a visit to your school
