WEEK BEGINNING 2026

Dear Parents and Carers,

Welcome back to a wonderful new half term! I hope you all had a restful autumn break and enjoyed some special time together.
It has been an absolute delight welcoming the children back through the gates this week. As we step into this vibrant season, there is a fantastic buzz of excitement right across the school.

This half term is always one of our absolute favourites, packed full of rich learning, wonderful creative projects, and, of course, all the magic and fun of the countdown to Christmas! From festive preparations and seasonal celebrations to exciting classroom discovery, we have so much to look forward to over the coming weeks.

Thank you, as always, for your continued partnership and warm support. We are so excited for the weeks ahead and look forward to sharing many memorable moments with you all as we head towards the festive season.
Warmest regards,
Mrs Fagan

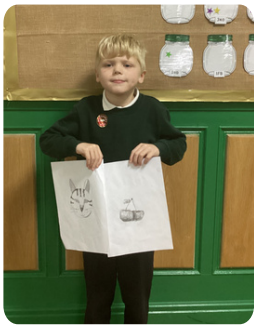

Fantastic achievements from some of our children

Fantastic presentation skills from Rosie (3RS), who put together an amazing poster featuring lots of great photos and brilliant fun facts about New Brighton!

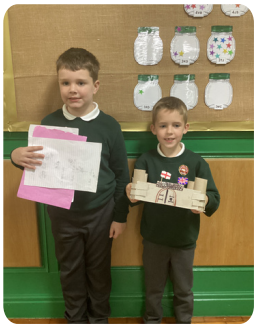

Brilliant map-making skills from Eleanor and Emilie (3RS), who both created fantastic treasure maps packed with detail for their homework project!

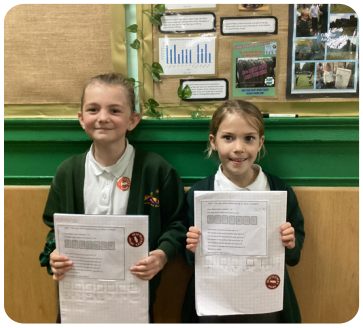

Wonderful artistic skills from Joseph (3KO), who demonstrated fantastic shading technique for his Art project!

Fantastic dedication and hard work from Thikshitha, Kadi, and Luca (3RS)! All three pupils have been putting in superb effort across the board shining in English, Maths, and French, as well as producing outstanding homework projects. Keep up the marvellous work!

Superb creativity and dedication from Teddy and George (3KO)! Both boys went above and beyond with their creative homework pieces, putting in an immense amount of effort.

Fantastic teamwork and determination from Poppy and Megan (4LJ), who worked tremendously hard tackling challenging problem-solving activities in Maths!

Superb geographical knowledge and craftsmanship from Declan (5CH), who created a fantastic globe featuring flags of the world accurately placed right where each country belongs on Earth!

Wonderful enthusiasm and dedication from Sammy, Frankie, and Ben (3KO), who have put exceptional effort into completing their fantastic homework projects!

Brilliant engineering and creativity from Charlie and Nico (1MC), who built fantastic lighthouse models for their homework project complete with working light-up parts!
