Statement of intent

Morecambe Road School recognises that certain groups in society can be disadvantaged because of unlawful discrimination they may face due to their race, sex, disability, gender reassignment, marriage or civil partnership, religion or belief, sexual orientation, age, or pregnancy and maternity.

The school has a statutory duty to publish an Equality Information and Objectives Statement. This policy sets out how the school determines its equality objectives.

Our school aims to meet its obligations under the public sector equality duty by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it

Having due regard for advancing equality involves:

- Removing or minimising disadvantages suffered by people due to their protected characteristics.
- Taking steps to meet the needs of people from protected groups where these are different from the needs of other people.
- Encouraging people from protected groups to participate in public life or in other activities where their participation is disproportionately low.

1. Legal and Policy framework

This document refers to the following legislation:

- [The Equality Act 2010](#), which introduced the public sector equality duty and protects people from discrimination
- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the public sector equality duty and to publish equality objectives

This policy operates in conjunction with the following school policies:

- Equality Information and Objectives Statement
- Admissions Policy
- Complaints Procedures Policy
- Grievance Policy
- Data Protection Policy

The Equality Act 2010 provides a modern, single legal framework with three broad duties:

- Eliminate discrimination harassment and victimisation
- Advance equality of opportunity
- Foster good relations

For the purpose of this policy, the Equality Act 2010 will be referred to as 'the Act'. The school fully understands the principles of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equal opportunities. Protected characteristics, under the Act, are as follows:

- Age
- Disability
- Race, colour, nationality or ethnicity
- Sex
- Gender reassignment
- Maternity and pregnancy
- Religion and belief
- Sexual orientation
- Marriage and civil partnership

The Act makes it unlawful for the responsible body of a school to discriminate against, harass or victimise a pupil or potential pupil:

- In relation to admissions.
- In the way it provides education for pupils.
- In the way it provides pupils access to any benefit, facility or service.
- By excluding a pupil or subjecting them to any other detriment.

The responsible body for the school is the governing board and the LA.

The school's liability not to discriminate, harass or victimise does not end when a pupil has left the school, but will apply to subsequent actions connected to the previous relationship between school and pupil, such as the provision of references on former pupils or access to former pupils' communications and activities.

The school will promote equality of opportunity for all staff and job applicants and will work in line with the Staff Equality, Equity, Diversity and Inclusion Policy.

2. Roles and responsibilities

3. Equality objectives

The school is committed to promoting the welfare and equality of all its staff, pupils and other members of the school community.

The school sees all members of the school community as of equal value, regardless of any protected characteristic. The school's policies, procedures and activities will not discriminate but must nevertheless take account of differences in life experience, outlook and background, and in the kinds of barriers and disadvantages which people may face in relation to any protected characteristic.

The school's Equality Information and Objectives Statement sets out how the school is meeting the PSED and outlines how equality of opportunity is ensured for all members of the school community. The Equality Information and Objectives Statement is reviewed at least every four years and is published on the school website annually.

The school will consult with stakeholders to establish equality objectives and draw up a plan based on information collected on protected groups and accessibility planning.

To achieve this, the school has established the objectives at Appendix One.

The school will regularly review the steps being taken and the progress made towards the achievement of these objectives and, in line with the specific duties of the PSED.

4. Collecting and using information

In accordance with the requirements outlined in the UK GDPR and Data Protection Act 2018, personal data will be lawfully collected and processed in line with the principles and practices outlined in the Data Protection Policy and only for specified, explicit and legitimate purposes, e.g. to comply with the school's legal obligations.

The school will collect equality information for the purpose of:

- Identifying key issues, e.g. unlawful discrimination in teaching methods.
- Assessing performance, e.g. benchmarking against similar organisations locally or nationally.
- Taking action, e.g. adapting working practice to accommodate the needs of staff who share protected characteristics.

The school will build an equality profile for staff to assist with identifying any issues within their recruitment regime. The school will obtain the following information from their staff:

- Recruitment and promotion
- Numbers of part-time and full-time staff
- Pay and remuneration
- Training
- Return to work of staff members on parental leave
- Return to work of disabled employees following sick leave relating to their disabilities
- Appraisals
- Grievances (including about harassment)
- Disciplinary action (including for harassment)
- Dismissals and other reasons for leaving

The school will use the information it obtains to analyse any gaps present in its equality documentary, including the Pupil Equality, Equity, Diversity and Inclusion Policy and Staff Equality, Equity, Diversity and Inclusion Policy.

5. Promoting equality

The school is committed to promoting equality and diversity across the whole school community by:

Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures

Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies, and we will also invite external speakers to contribute

Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community

Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school. For example, our school council has representatives from different year groups and is formed of pupils from a range of backgrounds. All pupils are encouraged to participate in the school's activities, such as sports clubs. We also work with parents to promote knowledge and understanding of different cultures

We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

6. Addressing prejudice-related incidents

The school is opposed to all forms of prejudice. The school will ensure that pupils and staff are aware of the impact of prejudice. The school will address any incidents immediately and, report them to the Governing Body on a termly basis.

Any reports of bullying and prejudice will be carefully monitored and dealt with accordingly. Staff will be reminded of the process for reporting and following up incidents of prejudice-related bullying. The CPOMS system is used for the recording of inequality actions.

7. Complaints procedures

The school aims to resolve all complaints at the earliest possible stage and is dedicated to continuing to provide the highest quality of education possible throughout the procedure. Any person, including a member of the public, is able to make a complaint about the provision of facilities or services that the school provides.

The school will adhere to the Complaints Procedures Policy to ensure a straightforward, impartial, non-adversarial process, that allows a full and fair investigation, respects confidentiality, and delivers an effective response and appropriate redress. If a complaint has completed the school's process and the complainant remains dissatisfied, they have the right to appeal, as outlined in the Complaints Procedures Policy.

The school works to develop good professional relationships between colleagues; however, the school understands that sometimes conflicts may arise. Through maintaining open communication, the school wants its employees to feel able to raise any grievances so that appropriate and effective solutions can be put in place. Grievances raised by staff members will be processed in accordance with the school's Grievance Policy.
