Global Awareness

During Global Awareness Week all our pupils took part in a range of exciting activities to help them develop their understanding and awareness of food around the world.

Each class had a learning focus for the week. The pupils were helped to develop a range of important citizenship skills such as communication, turn taking and group work.

The children in Buttercups enjoyed learning about the foods they share at home with their families.

The children in Bluebells and Tulip classes enjoyed learning about the food we can grow outdoors.

The children in Rose and Violet classes enjoyed learning about animal food, including food for birds.

The children in Blossom Class enjoyed learning about where they buy their food from.

The children in Sycamore and Oak classes explored how food is prepared around the world. They also investigated how food preparation has changed since Roman times, including the role of technology.

The children in Elm and Maple classes learned about healthy foods imported from around the world.

Sixth Form C and P reflected on how every child has the right to food and water.

Communication Home

All home school communication is through our Showbie APP. If you are having trouble logging into your account, please contact the school office where someone will assist you. Email notifications can be set up by adding your email address to your child's profile.

Facebook

As well as our information letters and newsletters, the school has an information page on Facebook which is updated regularly. We appreciate parents taking the time to like our posts and make positive comments.

However, it is important to note that Facebook is not a means of communicating with school. The purpose of our Facebook page is to provide information about school. Our Facebook page can be easily accessed through a smartphone or directly through the school website home page www.redmarsh.lancs.sch.uk.

I hope you have enjoyed reading Red Marsh's first newsletter of the school year.

This half term, it has been lovely to welcome many new families to school. All pupils have worked very hard this half term, meeting many of their personalised targets through our exciting curriculum.

I am, as always, extremely proud of all the pupils and staff at Red Marsh School.

School reopens for pupils on Monday 2nd November 2026.

Enjoy the half term break,

Warmest wishes,
Jenny Slater
