

GCSE English/ Maths / Science Tutor

Job Description and Person Specification

Salary: Teachers' pay and conditions

Contract: Part Time (range from 4 hour to 20 hours per week)

Location: Trust-wide (based in one or more of our three secondary schools)

Reporting to: Headteacher / Director of Secondary Education

Role Purpose

- Deliver targeted academic intervention to small groups and individual pupils in Key Stage 4
- Support students to achieve strong GCSE outcomes and improve confidence and attainment

Key Responsibilities

- Deliver high-quality small-group and/or one-to-one tuition
- Support students in English, mathematics, science or other specialist subjects
- Plan and deliver intervention programmes linked to curriculum priorities
- Monitor student progress and maintain accurate records
- Support revision techniques and examination preparation
- Help remove barriers to learning and improve student confidence

Person Specification

- Strong subject knowledge
- Passion for improving outcomes for young people
- Excellent communication and organisational skills
- Ability to motivate and inspire students
- Experience of teaching, tutoring, mentoring or coaching young people

Essential Criteria

- Qualified Teacher Status (QTS)
- Relevant degree qualification
- Experience of GCSE teaching and examination specifications
- Experience working with disadvantaged learners
