

Dear Parent/Carer and Prospective Student

It is my pleasure to invite you to consider Christleton High School for your choice of secondary education. We recognise that parents and children need to get a real feel for things before making such an important decision. We are also very proud of our school and are keen to showcase everything that we do to prospective students and parents. We do hope that the following will be of help and interest to you: -

- **Open Evening: Wednesday 27th September 2023: 5.00-7.00pm:** During this event you can take the opportunity to explore the whole school by visiting all our different subject areas, viewing our facilities, and talking to students and teachers about life in our exciting and vibrant school. There is no timed formal presentation so this will give you plenty of time to look around and ask any questions you may have. Please be aware that because of the expected number of visitors, parking on site will be limited. If you are able to come by foot, public transport, or to park off site, that would be appreciated. There is no need to book in advance for this event but please be aware that because of the expected number of visitors, parking on site will be limited.
- **Open Morning Sessions: Thursday 28th & Friday 29th September 2023: 9.00am and 11.20am:** This is the ideal opportunity to visit us during a normal school day and be shown round by some of our current students. You will be able to see what learning looks like by dropping in to different lessons and talking with students. Each tour will be followed by an informal Q and A in the School Hall. There are a limited number of places available for each session and so we do ask that you please book places in advance using the *eventbrite* link below. Please note that there are only limited parking places available on the school site and that the roads in and around the school do get very busy between 8:20 and 8:40am so please avoid these times if you can. These Open Morning Sessions are entirely optional so please feel under no obligation to attend, particularly if you already know the school well.

- **Prospectus:** this 20-page full-colour document has been updated for 2023/24 and can be downloaded from our school website. As well as covering what we do to ensure a smooth transition from primary school the prospectus also explains how we try to ensure that each individual student reaches their full potential. <https://www.christletonhigh.co.uk/pdf/prospectus/christleton-high-school-prospectus.pdf>
- **The Swan School Magazine:** the most recent issues can also be downloaded and should give you a really good insight into the daily life and learning at Christleton High School:
<https://www.christletonhigh.co.uk/school-information/swan-newsletter.php>

We trust that all of this will give you a clearer view of our aims and philosophy, as well as a real understanding of all the things we do. Regardless of your final choice, we hope you feel welcomed and fully informed about what we can offer you at Christleton High School.

Yours sincerely

Mr K C Smith
Headteacher
