Learning together. Achieving together.

Thursday 23rd April 2026

Dear Parents/Guardians,

As part of our topic this term, I have arranged a visit to Liverpool World Museum on Wednesday 6th May. The children will take part in a Planetarium workshop where they will discover how our existing understanding of life on earth guides the hunt for alien life elsewhere in the Universe. They will also learn about what it would be like to travel into space. It will be an informative and fun visit for the children

The cost of this educational visit is £15.03; this includes the coach fare and workshop. Although there is no obligation to contribute this money, I am afraid the visit cannot go ahead unless parents are willing to make this voluntary contribution. On application to the Head Teacher, charges may be waived or reduced under certain circumstances.

We plan to leave school by coach at 10.15am, returning by 3.00pm. All children will need a packed lunch (no glass bottles please). Children should be able to carry their own food and drink in a small bag/rucksack. No spending money required. School uniform is to be worn, and children should wear comfortable shoes; school shoes or trainers are fine.

Please use the SchoolMoney facility to pay and give consent for your child to go on this trip. **Payment is due by Friday 1st May.**

Yours sincerely,

B Heard
