Learning together. Achieving together.

Wednesday 9th September

Dear Parents,

As part of our exciting History topic, 'How did life change for people who first lived in Britain,' we are delighted to be welcoming a special workshop into school on **Wednesday 23rd September**. The workshop will give the children the opportunity to explore life during the Stone Age, Bronze Age, and Iron Age in a hands-on and memorable way. Throughout the day, the children will take part in a range of practical activities and will have the opportunity to handle and examine real and replica historical artefacts. They will also get to experience history in a very modern way by using VR headsets to explore what life may have been like during prehistoric times.

The cost of this educational workshop will be £9.90 which covers the day of activities. Although there is no obligation to contribute this money, I am afraid the workshop cannot go ahead unless parents are willing to make this voluntary contribution. On application to the Head Teacher, charges may be waived or reduced under certain circumstances.

Children should come to school in uniform as normal and there will be no changes to the usual lunchtime arrangement.

Please use the SchoolMoney facility to pay and give consent for your child to take part in this workshop. Please make payment by Monday 21st September.

Yours sincerely,

C Tandy
