

# THE SATURDAY SERIES

Dear Parents,

Our exciting transition programme '**The Saturday Series**' returns this November, and we would love your daughter to be part of it!

'**Sweet Science**' will be a morning of science-themed activities for girls in **Years 5 and 6** who are interested in joining The Queen's Senior School for Year 7.

[Register HERE](#) to secure your daughter's place at the session on **Saturday 8 November**.

Our fun and engaging Saturday Series sessions are designed to make the move from primary to secondary school a smooth process for everyone.

Happy girls make the best learners, and with that in mind, The Saturday Series was created by Queen's for girls in Years 4, 5 and 6, to ensure pupils joining Year 7 feel confident and excited for the next stage of their education.

Places fill up fast so we highly recommend you [register early to avoid disappointment](#). A waiting list will be put in place once all spaces are filled.

If you have any questions or wish to arrange a bespoke tour or taster day, please get in touch with our Admissions Team, who will be more than happy to arrange this.

We look forward to seeing your daughter at 'Sweet Science' on Saturday 8 November.

Kind Regards

Mrs Broome and Mrs Bellis
