Learning together; Achieving together.

Thursday 23rd October 2025

Dear Waverton Families,

Thank you for joining us for our Harvest Festival and for your generous donations to the food bank. The School Parliament are looking forward to doing the shopping after half term. We also appreciate you taking the time to share your views through the parent questionnaire. We will share the outcomes once all responses have been analysed.

Happy Diwali

The children enjoyed sharing an assembly with Miss Tandy on Monday to learn about the Festival of Light. It was lovely to hear from some of our children who have been celebrating Diwali with their families.

Poppy Art Project

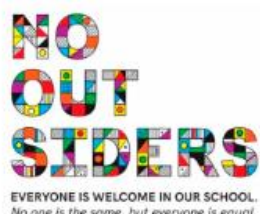

Remember to send in the bottom section of plastic pop bottles, along with the lid, to help create our poppy display. There is a box by the front door and one on the playground. We would love to make an impressive display.

Staying Safe Online

On 27th November, Andrew Kevan from Cheshire Police will be conducting workshops with our pupils. Additionally, he will run a **parent session from 5pm-6pm**, focusing on crucial safety information to help protect our children. To support parents attending, our school staff will provide a crèche facility.

On **Wednesday 5th November**, we will host our 'No Outsiders' Day, where each class will take part in a 30 minute lesson and an assembly. We would love to welcome parents into school to be part of these sessions and share in the children's learning. If you would like to join us, please contact the school office via email - we would be delighted to have you involved.

Instagram

I am pleased to announce that Waverton Primary now has a new Instagram account, which will serve as an additional platform for sharing school news. Take a look at our new account. This digital platform will complement our existing communication and provide another way for us to celebrate the achievements and activities of our pupils.

Look at our impressive pumpkins. We grew these pumpkins in our school garden then each class decorated one. Which is your favourite?

Bike to school week

The Junior Safety Officers awarded Year 1 the cycle to school week winners. Well done.

PTA Christmas Wreath Making

Thursday 27th Nov

Save the date, details to follow.

We are aware that several children have been unwell with sickness, which is common at this time of year. We will continue to remind children about good handwashing routines, and our cleaning rota remains thorough and regularly reviewed to help reduce the spread of germs.

Have a lovely half term break.

Mrs C Cartwright
