Learning together; Achieving together.

Friday 21st November 2025

Dear Waverton Families,

Another week full of 'Learning Together; Achieving Together'.

Last week was **Anti-Bullying** week and the children took part in lessons, assemblies, shared their views through pupil voice and wrote a Waverton Primary School Anti-Bullying Policy. Please take the time to read the attached draft policy and share your views via the questionnaire on School Spider.

Children in Need

Thank you for all your generous donations via the Just Giving page. We raised £257.93 which will be paid direct to Children in Need.

Staying Safe Online

Online safety is vital to protect all our children.

Please try to make it to the parent session from 5pm-6pm next Thursday, which will focus on crucial safety information.

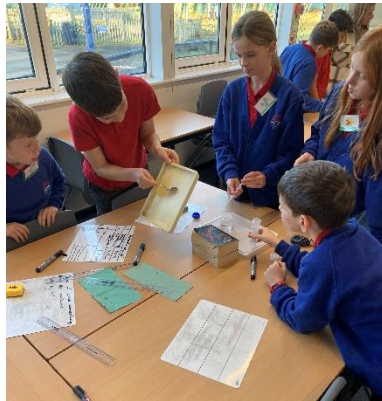

To support parents attending, our school staff will provide a crèche facility in school.

Dance

Our amazing dance club are working on a piece to share with us during our Christmas Carol Concert. We are looking forward to their performance.

Science

As you know, one of our school improvement targets this year is based on the teaching and learning of science. As part of this, we are working with 'The Centre for Industry Education Collaboration' based at York University on a science project 'Children Challenging Industry'. The project includes a specialist teacher delivering sessions to our year 6 class, staff training and a class visit to Veolia, to see science in action. They are enjoying the sessions and are really looking forward to visiting the site to share their findings.

Christmas

Christmas is creeping up on us and the children have started to learn songs to share with you. A separate Christmas events letter will be sent out on Monday - there is lots happening during the rest of this half term. The PTA Christmas Fair is on Friday 5th December. The money raised goes towards lots of exciting things for the children in school and all your support is much appreciated.

Have a lovely weekend.
Mrs C Cartwright
