*Learning together; Achieving together.*

Tuesday 10<sup>th</sup> February 2026

Dear Waverton Families,

This week is National Children's Mental Health Week; we are embracing this year's theme - 'This is My Place.' At Waverton Primary, we are committed to ensuring our pupils feel this sense of belonging. We provide regular opportunities for our pupils to have their voice heard through our school parliament and by encouraging open conversations about their school experiences. It is equally important to us that our parents feel connected and valued within our school community.

In assemblies and PSHE lessons this week the children will be thinking about belonging to our school. For homework we are asking children to create their own belonging map and bring it back to school to share with their friends after the half term break.

### E-Safety

Last week, we welcomed Andrew Kevan back to school to work with Key Stage 1 classes and continue their work on E-Safety. As a school, we consistently emphasise the importance of online safety and responsible digital citizenship. The sites below provide some excellent information about ensuring your child is safe online.

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

PTA Disco Wednesday 11<sup>th</sup> February

Key Stage 1: 5:45-6:45pm

Key Stage 2: 7.00-8.00pm.

### **Phonics and Reading**

On **Thursday 12th February** we are hosting a Phonics and Reading meeting at 3:15pm for our Reception parents. Mrs Jones will be sharing valuable information about our phonics teaching approach and how you can support your child's reading at home.

### **Parents Evenings**

Following feedback in the parent questionnaire, we have scheduled parents' evenings earlier this year on **Thursday 26th February and Wednesday 4th March**. During these meetings, you will receive information about your child's current attainment in relation to end-of-year expectations along with your child's current school attendance.

### **Outdoor Learning**

Year 1 and 2 pupils are enjoying outdoor learning, which will continue next half term, with the final session taking place on Friday 27<sup>th</sup> March. Outdoor learning sessions last for approximately two hours, and it is essential that children are dressed appropriately so they can stay warm, dry and enjoy the experience fully. This includes appropriate weatherproof footwear. We kindly request that parents ensure pupils bring an extra pair of shoes that they can change into along with spare socks.

### **AmaSing**

Year 4 are looking forward to taking part in a music concert at Chester Cathedral on the 1<sup>st</sup> of July alongside other local primary schools. As part of their music lessons the children will be learning the songs and dance moves ready to perform at the event. Please ensure the reply slip and t shirt order is returned to school by 11<sup>th</sup> February.

### **Book Fair**

Lastly, our Book Fair will be available week commencing 2nd March. Children will have the opportunity to browse the books during school hours and parents are welcome to accompany their children to the book fair after school. We will send out further details nearer the time.
