Learning together; Achieving together.

Thursday 26th February 2026

Dear Waverton Families,

I hope you all had a good break. It has been lovely to talk to the children about their homework, many of them have shared their belonging maps with us. The task was a perfect opportunity for the children to think and talk about where they belong so that they feel listened to. I hope you enjoyed doing this activity with your children.

Waverton Lunch Club

As you know one of our school improvement targets this year is: *'Further develop opportunities to appreciate difference so everyone feels they belong.'* Through our No Outsiders lessons and assemblies, children have been learning that we are all different and all welcome. These sessions help pupils to celebrate diversity, show respect, and understand the importance of inclusion.

As part of this work, the Year 3 class spent time with their older friends from Waverton Lunch Club at WEF this week. It was a wonderful opportunity for the children and their older friends to spend time together, enjoy activities and to build friendships across generations.

The children spoke very positively about the experience:

"I loved it; I made the older people smile. When can we go again?"

"It made me happy because they got to have fun. It was nice to do different activities together."

We are very proud of the kindness, empathy and joy the children showed. Experiences like this help everyone in our community feel valued, included and connected.
