Learning together; Achieving together.

Tuesday 5th May 2026

Dear Waverton Families,

Following our inspection on 3rd and 4th March, please find attached the final Ofsted inspection report.

The report recognises much of what makes Waverton a nurturing school, where pupils feel safe, valued and inspired to learn and where strong partnerships with families are important. It also includes recommended next steps which align with our school improvement priorities and will help ensure that Waverton continues to grow, improve and provide the very best for every pupil.

We look forward to building on the strengths highlighted in the report and continuing to provide the best possible education for every child.

Thank you, as always, for your continued support and partnership.

Yours sincerely,

C Cartwright
