Learning together; Achieving together.

Monday 22nd June 2026

Dear Waverton Families,

The weather is expected to be very hot this week. We will stay out of the sun during the hottest part of the day and will make sure the children have enough to drink. Please ensure all children have sun cream applied before they come to school, bring a full water bottle and a hat.

What a wonderful time we all had on Sports Day. It was amazing to see such effort, team work and resilience. Thank you for all your enthusiasm and encouragement for the children- they were very proud of their achievements and enjoyed sharing them with you.

Chester and District Athletics Champions

Recently, our athletics team took part in the Chester and District Athletics Competition and were delighted to come away as winners.

A huge well done to everyone who represented the school. The team showed fantastic effort, determination and sportsmanship throughout the competition. Congratulations to all involved – we are very proud of you!

Science Fair Success for Dylan and Ilias

Congratulations to Dylan and Ilias, who were named winners of the Christleton High School Science Fair.

The challenge for pupils was to create and deliver a presentation on the theme of curiosity. Dylan and Ilias chose to focus their presentation on the Japanese physicist Hideki Yukawa, whose curiosity and scientific thinking led to important discoveries in the field of nuclear physics.

Their presentation impressed the judges and earned them first place in the competition. Well done to both boys on this fantastic achievement — a wonderful example of curiosity, teamwork and enthusiasm for science.

Reception Class News

The Reception class are working very hard and have been showing wonderful enthusiasm in their learning. They have been developing their independence and confidence through lots of different activities in the classroom and in their outdoor space. It has been lovely to see the children trying their best, asking questions and taking pride in their work.

Well done, Reception — keep up the fantastic effort!

Enjoy your week

Mrs C Cartwright
