Dear parents,

Last chance to book – get ready to Explore the World at Queen's!

Join us this **Saturday 7 November**, 9:30am-12:30pm, for a morning of language, culture and discovery. Through a series of activities in French, Spanish and Mandarin, we'll explore different cultures, learn new words and have fun putting language skills into practice.

Designed for girls in Years 5 and 6, our Saturday Series is an opportunity to explore different subjects, try new activities and experience life at Queen's Senior School ahead of Year 7.

Book your place

We look forward to welcoming your daughter for a morning of language and laughter!

Kind regards,
The Queen's School Admissions Team
