“I come that they may have life and have life to the full”  
John: 10:10

## Week Beginning - 22<sup>nd</sup> June 2026

### Dads and donuts

We recently celebrated Father's Day with our “Dads and Donuts” event, which was a wonderful success and very well attended. It was heartwarming to see so many dads and special male figures join us to share time with the children.

The children thoroughly enjoyed the morning, proudly spending time with their everyday superheroes and creating special memories together. Thank you to everyone who came along and made the event so special!

### Earth Day

We also marked Earth Day alongside the Feast Day of St Francis of Assisi with a special focus on caring for our world. The children took part in a range of thoughtful prayer stations, encouraging reflection on how we can look after our environment. A highlight was our beautiful school logo planter at the front of the school, which has brightened our outdoor space. A heartfelt thank you to everyone who kindly donated flowers—your contributions made the display truly special.

### POPE LEO'S PRAYER INTENTION - June

June's prayer intention invites us to look at sport with fresh eyes. It's not just about winning medals or cheering from the sidelines; it's a brilliant way for people to meet, mix, and understand one another. Whether it's kids swapping high-fives after a match or nations coming together for a tournament, sport has this gentle power to build peace. It teaches respect, solidarity, and real personal growth—often without us even noticing.

So this month, let's pray that every game, race, and kickabout becomes a small step toward a kinder, more connected world. This month Pope Leo invites us to join in his prayer intention, “...that sports be an instrument of peace, encounter, and dialogue among cultures and nations, and that they promote values such as respect, solidarity, and personal growth.”
