

HOLY ROSARY RC PRIMARY

"I come that they may have life and have life to the full"

John: 10:10

Week Beginning: 24th September 2026

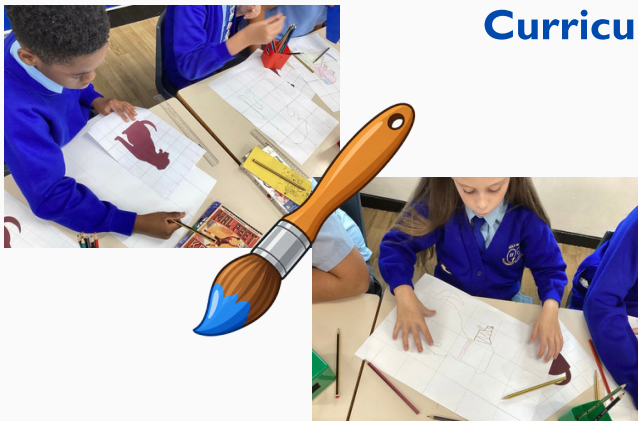

Pupil and Family Support

We are delighted to welcome Miss Glynn to the Holy Rosary family as our new Pupil and Family Support Officer. Miss Glynn will be taking over from Mrs Green, supporting our children and families with attendance, behaviour and safeguarding. She is looking forward to getting to know our school community and working closely with families to ensure every child feels happy, safe and supported. Please do say hello and give her a warm Holy Rosary welcome!

Curriculum Showcase : ART

At Holy Rosary, we love giving our children opportunities to be creative, explore new ideas and express themselves through art. Art helps children develop confidence, imagination, fine motor skills and a real sense of enjoyment in their learning. We are proud of the creativity happening across school each week. Please take a look at our class Instagram accounts to see more of the wonderful artwork and creative learning taking place.

Parent Governor

We're looking for two parent governors to join our governing body. This is an important but manageable role with just four meetings across the year, plus optional chances to come into school for things like writing showcases or progress meetings. You don't need to be an education expert, or know the ins and outs of how a school runs, just bring your passion for our school and our children. If you'd like extra support, there is optional training you can dip into, starting with a short one-hour induction. It's a really rewarding opportunity to make a genuine difference, and we'd love for you to get involved.

Arbor

Like many of you, we're still getting used to Arbor and working out the best ways to use it with families. We've noticed that while in-app messages are being read, some emails are being missed because they're landing in junk folders. Please check your junk or spam regularly and mark Arbor emails as safe. Just so it's clear, short updates and reminders will generally arrive as in-app messages. However, anything longer, such as letters, forms or attachments, will be sent by email. So it's really important to keep an eye on both the app and your inbox.

Thank you for bearing with us as we all get used to the new system. If you're having any problems accessing or using Arbor, please do come and speak to us in the office and we'll do our best to help.

House Points and Rewards

This year, every child has joined one of our new school Houses, each named after an inspiring person who has made a positive difference to Oldham. These are:

Brian Cox
Nicola White
Brian Claarke
William Walton
Annie Kenney

These figures reflect qualities we want to see in our children, including kindness, creativity, determination, leadership and sportsmanship. Children will earn House Points for demonstrating excellent behaviour in line with our Behaviour Curriculum.

This Week's house winners are

Important Dates
