

HOLY ROSARY RC PRIMARY

"I come that they may have life and have life to the full"

John: 10:10

Week Beginning: 19th October 2026

Writing Showcase – Thursday 22nd October :

As we approach the end of this half-term, we have lots of wonderful learning to celebrate! We would love parents and carers to join us for our Writing Showcase. Mr Handley will begin with a short introduction to Pathways to Write, explaining our approach and what it looks like in the classroom. You will then be invited into your child's classroom to take part in a writing lesson and see their learning in action. We hope this will give you useful ideas for supporting writing at home. Mr Handley will be available afterwards to answer questions and offer further advice.

Sacramental Programme

A reminder for families wishing their child to take part in the Sacramental Programme: information was sent out at the beginning of term and is also available in the school entrance and on our school website. The programme is delivered by the parish team at Our Lady and St Patrick's, Oldham. Please check the information for details of how to take part.

Parents' evening – Wednesday, the 21st of October

Parents' Evening starts at 3:30pm and is by appointment only. Please book your appointment through Arbor. It is essential that all parents and carers attend to discuss their child's progress, celebrate successes and agree next steps with their teacher. Mrs Payne will also be hosting a Communication Clinic, and staff will be available to help with Arbor or any other school resources you are struggling to access or use.

Punctuality

Every minute matters! Arriving on time helps children settle calmly, join their friends and hear the instructions they need for a successful start. Just five minutes late every school day adds up to 25 minutes a week—and 15 hours and 50 minutes of missed school time over a 190-day year. Please help your child arrive ready for the start of each day. If mornings are proving difficult, speak to us so we can work together to help.
