Week Beginning: Monday 9th November

Year 5 Trip

This week, Year 4 enjoyed a visit to World Museum in Liverpool, planned to support their work on Greek myths through our new Pathways to Write scheme. The museum's collections and workshops linked to Ancient Greece provided an opportunity to bring this learning to life, helping children explore the world behind the stories they are reading and writing.

School trips are an important part of our curriculum. They give children real experiences they can draw on when discussing ideas, understanding new concepts and developing their writing. Visiting places beyond the classroom also sparks curiosity and introduces children to objects, stories and experiences they may not have encountered before.

Our school trips for the year have been booked in advance and carefully linked to each class's learning within Pathways to Write. By building these experiences into our teaching, we aim to deepen children's understanding, develop their vocabulary and give them meaningful memories and ideas to refer to throughout their learning.

Website and Social Media

A new angle on school life at Holy Rosary!

You'll notice a change in the photographs we share as we take extra care over children's privacy online.

From now on, our images will focus on:

💙 Hands-on learning and creativity

💙 Special moments captured from behind

💙 Side-facing photographs with appropriate parent/carer permission

We will no longer share front-facing pupil photographs. Our website will also be amended to reflect these changes.

We look forward to continuing to share the learning, achievements and joyful moments that make Holy Rosary so special.

Anti-Bullying week

On Monday 16th November, we will be celebrating Odd Socks Day at Holy Rosary to share an important anti-bullying message: our differences make us special, and everyone deserves to feel safe, valued and included. Children are invited to wear their brightest, craziest mismatched socks with their usual school uniform! There will also be a fun competition to find the most interesting place to take your socks. Mrs Glynn will be sending out further details, so look out for information about how to get involved.
