

VOYAGERS CLASS

WELCOME!

Dear Parents and Carers,

Welcome back! We hope you have had a relaxing and peaceful summer break. We have enjoyed catching up after the holidays and the children have settled in wonderfully well! The children are very excited for a jam-packed year full of fun and exciting new topics. Your child's reading record should already have come home by now in your child's book bag. Regular home reading helps to practise and reinforce the reading skills the children learn in school. At this age, children are transitioning from learning to read, to reading to learn. Frequent practice helps improve their fluency, accuracy, and comprehension. As well as this, regular home reading fosters a love of reading, boosts self-confidence and increases focus and concentration.

We are really looking forward to working with you all and feel sure it will be a very positive, productive year. Please make sure that you catch us in the playground at the end of the day, should you have any questions or queries. If you wish to arrange a more formal meeting or need to pass on information about your child's absence or arrangements for picking up at home time, please contact the school office who will then pass this on to the staff in class.
