

# Your child's reading journey

## Year 1 Phonics Screening Check

Your child has now learned most of the Year 1 phonics in *Little Wandle Letters and Sounds Revised* and will soon be preparing for the nationally required Phonics Screening Check, which will take place in June.

### What is the Phonics Screening Check?

- The Phonics Screening Check is a quick check of your child's decoding skills.
- Your child will be asked to read 40 words – 20 are real words, 20 are known as 'alien words' (made-up words).

### Why do the children read 'alien words'?

- Reading alien words checks children's decoding skills and knowledge of graphemes in a fair way – it mirrors what the children have to do when they read a word that they have not read before.
- Your child will not have seen the alien words before. They will have to use their knowledge of letters and sounds to work out how to read them.

### How does the check work?

- Your child will be asked to read 40 words independently.
- The check has been designed to not put your child under stress. It will be carried out by a member of staff who knows your child well.
- It should only take a few minutes to complete, but there is no time limit.

### Do I need to do anything to further support my child?

- Continue to listen to your child read their phonics books and read to them daily.
- Your child's teacher will let you know if any additional practice is needed.
- Always ask if you need any further support!

### All for the love of reading

- Teaching children the skills of reading will increase their will to read. Children who love reading, choose to read.
- Reading develops children's vocabulary, understanding of the world and empathy.
- A love of reading is the biggest indicator of future academic success! To develop a love reading, children must have the skills to read, which is why we teach them using phonics.
