

5TH OCTOBER 2026

Parents' Meetings

Our booking system for our Parents evenings for all children will go live today. Please note that for children NOT on the SEND register appointments should be booked for Wednesday 14th October and who children who are on our SEND register, please book a time for Wednesday 21st October.

Open Events for Prospective Nursery and Reception parents

Please share details of our open mornings and evenings with friends, neighbours and our local community. These are on Thursday 8th October, Wednesday 18th November and Thursday 26th November. Please contact the school office to book on a visit.

Building work update

Our nursery extension is rapidly progressing and we currently have decorators and floor layers working hard to ensure we are ready to move in at the end of the half term. Further details will be shared with our Year 2 and Nursery classes very soon.

Staffing

We would like to say thank you and goodbye to Mark Cooke, our Site Manager. He is moving to work at a larger school closer to his home. Mark will be greatly missed especially for his excellent traffic management during our busy pick ups and drop off - thank you Mark! Also, Mrs Ockerby has finished working in our office to spend more time with her family. Mrs McNicholas, who was one of our teaching assistants, has taken on a new role in our school office. Miss Regan will begin working in our Reception classes very soon, I sure she will be an excellent addition to our school team.

ATTENDANCE

Currently, our attendance is 96.1%. This is slightly below the attendance level within Oldham.

Please do reach out to your child's teacher or our Attendance lead, Mrs Butler, if you have any questions or concerns about your child's attendance.

Attendance Ladder
