

# Reception Spring 2 - Topic Web

## Understanding the World

This half term we will build on our knowledge of travel from Nursery by exploring different methods of transport. The children will talk about what mode of transport they would use to travel on different journeys. Within this, we will also learn about space travel and what we might see on a journey through space!

## Personal, Social and Emotional Development

Children will be learning to identify and moderate their own feelings socially and emotionally. Additionally, the children will be learning to think about the perspectives of others; how are they feeling and why are they feeling that way?

## Communication and Language

Children will listen to and talk about selected non-fiction texts to develop a deep familiarity with new knowledge and vocabulary.

# Adventures and Journeys

## Maths

This half term the children will continue counting and recognising numbers within 10 as well as subitising amounts to 5. They will develop an understanding of 'one more' as well as building upon their existing knowledge of more than, fewer than and equal to.

Children will also be learning to identify squares and rectangles

## Literacy

In Literacy, we will be exploring the text 'A Walk in the Woods.' The children will focus on discussing the text as well as applying our phonics to write words, phrases and sentences relating to the text.

## Expressive Arts and Design

The children will use their previous learning to refine their ideas and develop their ability to represent them.

They will also be learning to create collaboratively with one another, sharing their ideas, resources and skills.

## Physical Development

The children will be continuing to develop their fine motor skills so that they can use a range of tools competently, safely and confidently. They will develop the overall body strength, co-ordination, balance and agility needed to engage successfully with future physical
