

## ART

In Art, we will learn about watercolours and understand how to use the grid method to create perspective.

## ENGLISH

In English we will be writing a recount whilst reading about the life of Mary Anning.

## SPANISH

In Spanish, we will learn animals names, recognise nouns and be able to write short sentences.

## PE

In PE we will be learning how to play Basketball and creating dances using styles from around the world.

## RE

In RE we will be investigating what it means to be a Christian person in Britain today.

# Year 3 Spring 1 Ancient Greece

## MUSIC

In Music, we will be finding out about reggae music whilst playing and singing the song "Three Little Birds".

## ICT

In ICT, we will capture digital images to create stop motion animations.

## PSHRE

In PSHRE, we will be investigating healthy lifestyles, including oral and physical hygiene.

## MATHS

In Maths, we will be continuing to learn methods of Multiplication and division and tackle multi-step word problems.

## SCIENCE

In Science, we will look at the formation of rocks and soils and explore different types of rock and their formation. We will research fossils and find out how they are created.

## HISTORY

In History, we will be finding out about the Ancient Greek civilisation, the advancements and achievements made by Greek philosophers and inventors and how more modern representations of Ancient Greece are not always accurate.
